ESTATE PLANNING WORKSHOP SCHEDULE

Foley & Pearson, P.C. offers two estate planning workshops each month for prospective clients and individuals who want to learn more about estate planning. The purpose of the workshop is to provide education about the basic tools of estate planning, such as wills, trusts and powers of attorney. The workshops are also intended to introduce planning issues related to probate, guardianship, titling of assets, community property, and estate taxes. Finally, attendees are introduced to the Foley & Pearson estate planning process.

These no cost, no obligation workshops are part of our commitment to educate our clients and anyone else who wants to learn more about estate planning. We welcome and encourage your participation.

Workshops are held on Wednesday evenings, and start at 6:15 p.m. Each workshop lasts approximately two hours. We hold our workshops in the First National Bank Alaska building located at **1751 Gambell Street**, in the Second Floor Conference Center. **Enter on the south side of the building.**

Note: Attendees are asked to RSVP to our office regarding the workshop they would like to attend, so we can have materials ready. Please call (907) 522-2272 if you have additional questions or would like to make reservations. You may also register on our website: www.foleypearson.com.

UPCOMING WORKSHOPS:

We are currently presenting our workshops as online webinars. As the coronavirus situation changes, please call us or check our website to determine if the seminar you'd like to attend will be presented online or in person.
